

June 1, 2022

Long Island City Community Action is pleased to announce the implementation of report it®. A quick and easy way to send comments questions or concerns with photos or videos privately, anonymously and discreetly to the LICCA from your smartphone in real-time. Reports will be generated weekly. This tool is also connected to the safety team when they are on tour so they can more easily respond. The app is provided to you free of cost. We hope you find this a useful tool to keep our community connected. This does not replace 311 or 911.

Be a part of the solution: Help keep our community and waterfront clean and safe. if you see something that requires our attention or raises concern or report it® Text LICCA to 63975
